

To Whom It May Concern:

Due to a misunderstanding, both a Form 442 AND an Application for STA were submitted for the same experiment. As the experiment will last well under 6 months, this is a notice to disregard the Form 442 application (**0597-EX-PL-2011**). The only application that should be considered is the Application for STA (**0740-EX-ST-2011**). Apologies for the confusion.

Sincerely,
