

Exhibit 1

Agency: DARPA

Contract #: W31P4Q-10-C-0306

Contract Title: Robotics Streaming Video Program (RSVP)

Government POC: Mr. Vincent Sabio; 571-236-7991; [Vincent.Sabio@darpa.mil](mailto:Vincent.Sabio@darpa.mil)

Narrative Statement: TrellisWare Technologies, Inc. is currently under a Small Business Innovative Research (SBIR) contract with DARPA for the Robotics Streaming Video Program (RSVP). The objective of the contract is to leverage existing communications hardware to demonstrate representative robotics communications in field tests in operationally relevant environments and deployment scenarios.
