Subject: ITU Cost Recovery Fee for AMS-1

Dear FCC Secretary,

MIT Lincoln Laboratory (MIT LL) is aware that as a result of the actions taken at the International Telecommunication Union (ITU) 1998 Plenipotentiary Conference, and further modified by the ITU Council in subsequent years (1999, 2001, 2002, 2004, 2005, 2008, 2012, and 2013), processing fees will now be charged by the ITU for satellite network filings. As a consequence, Commission applicants are responsible for any and all fees charged by the ITU.

MIT LL hereby states that it is aware of this requirement and unconditionally accepts all cost recovery responsibilities associated with the ITU filings for AMS-1. Invoices for such fees should be sent to the point of contact specified below.
