Message:

To att. of Mr. Behnam Ghaffari,

only the exhibit document "Statement describing the planned ifm radar sensors and resp development project" pages 7, 9, 10, 15, 18, 27 should be withheld from competitor's access to prevent copying of ifm's new technical solutions.

So conc. the nine items cited in CFR 47, Part 0.459(b): no. (1) and (5) apply to our application.

Item (7) can be answered as "no", due to the fact that we have contracted NDAs with our development partners (suppliers, institutions, partners), as response to item (6).

Item (8) (period of disclosure) can be assumed to be 9 month, the market launch of these new Radar sensors is planned for Sep. 2022.

Sincerely Michael Hamma
