

## FCC Application for Experimental License

File Number: 0812-EX-ST-2022

SRC respectfully requests the Federal Communications Commission to grant us an Experimental STA License for FCC File 0812-EX-ST-2022, for the purpose of testing the SRC Inc., Precision Fire Control Radar (PFCR).

The period of the SRC requesting for our Experimental License over the period from June 15 through June 30, 2022. The PFCR radar will be operated during normal duty hours and weather permitting.

New Locations we wish to our existing license is listed in the table below:

Location	Lat/Long	Elevation (AMSL)	Radius of Operation
<b>Ashton, WV</b>	38°38'19"N 82° 8'45."W	592 ft (180.4 m)	1 km

### Cease Buzzer for Experiment

SRC understands that operation will be on a secondary non-interference basis. In the event interference complaints were to occur, SRC has taken preventative measures to cease and desist from transmission until they can be resolved. SRC has established a Cease Buzzer point of contact to quickly react with any interference complaints that are the result of our system. The point of contact for the SRC Cease Buzzer is:

Location	Contact Number
<b>Primary</b>	585-348-8366
<b>Secondary</b>	315-452-8000
