Washington, D.C. 20554

Subject: ITU Cost Recovery Fees for the Orion Space RROCI Satellite

Reference: FCC Experimental Application File Number 0195-EX-CM-2022

Dear Ms. Dortch,

Orion Space Solutions (Orion Space) is aware that as a result of actions taken at the International Telecommunication Union's 1998 Plenipotentiary Conference, and further modified by the ITU Council in subsequent years (1999, 2001, 2002, 2004, 2005, 2008, 2012 and 2013), processing fees will now be charged by the ITU for satellite network filings. As a consequence, Commission applicants are responsible for any and all fees charged by the ITU. Orion Space hereby states that it is aware of this requirement and unconditionally accepts all cost recovery responsibilities associated with the ITU filings for the RROCI Satellite. Please address all correspondence related to the RROCI to the following point of contact:
