

PURPOSE OF AMENDMENT

Lockheed Martin Corporation recently filed an application (File No. 0027-EX-CM-2023) to modify its current authorization under license WL2XVB to add one location to support the same program:

- (1) Lockheed Martin Valley Forge facility, King of Prussia, PA; 40-05-29 NL, 075-24 02 WL

Lockheed Martin Corporation hereby notifies that it has amended that application also to increase the radius of operations around Location (2) of the current license from 2 km to 10 km. No other change has been made.
