

Request for Extension of Special Temporary Authority (STA)

Northrop Grumman Systems Corporation (NGSC) requests a 60-day extension of Special Temporary Authority (STA) call sign WU9XHC, FCC File No. 1172-EX-ST-2022, due to extension of the NG-18 mission. Extension of the berthed phase of NG-18 was requested by NASA to provide additional time for cargo logistics and potentially to perform a reboost late in the mission timeline after Soyuz 68S departs the ISS. NASA contact is Catherine C. Sham (JSC-EV811), [catherine.c.sham \[at\] nasa.gov](mailto:catherine.c.sham@nasa.gov).
