Subject: Advance Publication Information for the Atomos GLUON
Satellite network.

Dear Sir:

In accordance with the provisions of Article 9.1 and Appendix 4 of the Radio Regulations, the Administration of the United States is submitting a request for the Advance Publication Information of the GLUON satellite network.

Enclosed is a diskette containing an electronic copy using Space Capture V.7 of the information for the Atomos GLUON satellite network.

In addition we would like to provide the cost recovery billing information under Agency code 528 in the Preface to the International Frequency List (IFL) for U.S.A. commercial operators. Cost-recovery invoices and technical questions associated with this filing should be sent to the following point of contact:

POC name: Olagappan Chidambaram
Address: 1644 Platt Street, Suite 400, Denver,
CO 80202
E-Mail: olagappan.chidambaram@atomospace.com
Phone: 720-809-9015

We request that a courtesy copy of all correspondence be sent to our Administration also.

Please acknowledge receipt of this information.

Thank you for your kind consideration in this matter.

Sincerely,

Chief, Strategic Analysis and
Negotiations Division
International Bureau
