External Email

This email is your AFTRCC coordination.

This coordination includes this header information, DOD Area Frequency Coordinator comments and AFTRCC comments. These messages must not be separated.

This coordination is advisory only and not binding on the FCC. Applicants are advised that this coordination does not constitute a judgment that the frequency(ies) is best suited for the applicant's purpose nor that the frequency(ies) is exclusive to the applicant. Flight Test frequencies are shared and may require scheduling with other users.

In return for AFTRCC's processing of the applicant's coordination request, the applicant agrees to release and hold harmless AFTRCC, its officers, directors, agents, members, and representatives from any claims, losses or expenses that may arise from the use of the frequency.

This coordination is not an authorization to transmit. A copy of this coordination must accompany application to the FCC.

Power: 4 watts (38.7 watts ERP)

Dates: 2023-05-01 thru 2025-04-30

AFTRCC comments: non-interference basis to Flight Test telemetry.

By accepting this coordination Motorola concurs that the device(s) being developed/
tested will not be marketed within the United States nor its territories. For export only.

Please reply via return email as to concurrence, non-concurrence, scheduling, or
additional comments.
