Re: HawkEye 360, Inc.
ELS File No. 0790-EX-CN-2023

Dear Office of Engineering & Technology:

HawkEye 360, Inc. ("HE360"), through its counsel, submits this letter amending the above-referenced pending application. Pursuant to a request by Federal Communications Commission staff, HE360 is removing its request to re-radiate the Global Positioning System ("GPS") L1 signal from this application and has resubmitted that request in a separate application, ELS File No. 0992-EX-CN-2023.
