Subject: ITU Cost Recovery Fees for the Atmospheric RROCI-2 Satellite

Reference: FCC Experimental Application

Dear Ms. Dortch,

Atmospheric and Space Technology Research Associates, L.L.C. (Atmospheric) is aware that as a result of actions taken at the International Telecommunication Union's 1998 Plenipotentiary Conference, and further modified by the ITU Council in subsequent years (1999, 2001, 2002, 2004, 2005, 2008, 2012 and 2013), processing fees will now be charged by the ITU for satellite network filings. As a consequence, Commission applicants are responsible for any and all fees charged by the ITU. Atmospheric hereby states that it is aware of this requirement and unconditionally accepts all cost recovery responsibilities associated with the ITU filings for the RROCI-2 Satellite. Please address all correspondence related to the RROCI-2 to the following point of contact:
