

**EXPLANATION OF AMENDMENT TO
APPLICATION NUMBER 1611-EX-CN-2023**

November 2, 2023

AeroVironment has amended Experimental License Application Number 1611-EX-CN-2023 to remove frequency segment 2302-2347 MHz and to revise the request for frequency segment 2352-2387 MHz and to seek instead frequency segment 2357-2387 MHz. No other changes are made to the application. This amendment is presented in deference to Sirius XM SDARS' operations.
