To Whom It May Concern

This resubmission application is for the renewal of the license with call sign WN2XAX. The initial renewal was submitted, but unfortunately, the necessary information wasn't provided within the required timeframe, leading to the dismissal of the license.

The Effective Radiated Power (ERP) is 5640 W and 39 dBi = 106.512779004 EIRP (dBm) = 104.35 ERP (dBm) = 27.2 MW ERP.

Additionally, please update the Stop buzzer name from "John Adams " to "Don Davis, 214-973-2006, don.w.davis@rtx.com".

I appreciate your help in this matter.

Thank you.

Sincerely,
