## **Application Narrative for Proposed Equipment**

### **Proposed Program**

Augustine Consulting Inc is proposing GPS within their office building for testing purposes.

### **Objectives**

We seek to accomplish the following objectives:

1. Illumination of the part of the office building, located at 1800 East State Street, Suite 153, Hamilton, NJ with a GPS signal to allow for the testing and experimentation indoors for continued exploration of utilizing GPS technologies within their office building to provide innovative applications and continue to provide safe products.
2. Further design, development and enhancement of existing GPS applications to provide greater efficiency and more effective means of utilizing GPS derived information.
