(24) **Payment Type Code** - Enter the appropriate payment type code for the service you are requesting as found in the appropriate FCC Fee Filing Guide or Public Notice.

(Incorrect or omitted payment type codes may result in your application or filing being returned to you without further processing.) You are allowed to file multiple actions on one FCC Form 159. There are three ways "multiple actions" are defined. The following examples provide instructions on how multiple actions should be filed when using FCC Forms 159 & 159-C:

(i) If a single service allows for a quantity of more than one of the same action, as defined in the appropriate FCC Fee Filing Guide or Public Notice, complete Section C (e.g., if you are filing an ownership report in the mass media services you may pay for both your AM & FM stations using the same payment type code and a quantity of two as long as it can be filed in the same lockbox). Blocks **28 & 29** are only to be completed when required by the Bureau/Office or by Public Notice.

(ii) If you are filing concurrent actions (not the same actions) in the same lockbox, on the same application, refer to the appropriate FCC Fee Filing Guide or Public Notice for specific instructions as to the number of quantities allowed. Complete Section C (e.g., you may file a regulatory fee for a CARS license and Broadcast Auxiliary license or you may file a regulatory fee for a mass media service and a common carrier service on the same FCC Form 159 by using the designated payment type codes, and quantities as defined by the Public Notice). Complete a separate item for each action required. Blocks **28 & 29** are only to be completed when required by the Bureau/Office or by Public Notice.

(iii) If a single Remittance Advice is used to pay for more than one applicant, licensee, regulatee or debtor, for permitted action(s) in the same lockbox, then a Continuation Sheet (159-C) must be completed for each applicant, licensee, regulatee or debtor (e.g., if you are paying for different applicants submitting separate Domestic 214 Applications in the common carrier services, they can all be filed on one FCC Form 159 as long as they are filed in the same lockbox). A separate FCC Form 159 must be completed and submitted for each applicant. Blocks **28 & 29** are only to be completed when required by the Bureau/Office or by Public Notice.

Remember, if any of these additional applications fall into category (i) or (ii) above, you can follow those instructions. Make sure to check the appropriate FCC Fee Filing Guide or Public Notice for any special filing stipulations that may apply.

(25) **Quantity** - Enter the total number of actions required with this submission. Refer to the FCC Fee Filing Guide or Public Notice for information concerning multiple requests.

(26) **FEE Due for (PTC)** - Enter the fee due for the PTC listed in item 24.

(27) **Total Fee** - Enter the total fee due by multiplying Block 25 (Quantity) times Block 26 (Fee Due for PTC).

(28) **FCC Code 1** - This section is used for special filing codes as required by the Bureau/Office or Public Notice. Do not complete this block unless instructed to do so.

(29) **FCC Code 2** - This section is used for special filing codes as required by the Bureau/Office or Public Notice. Do not complete this block unless instructed to do so.
