

L3Harris Technologies, Inc.  
Request for Special Temporary Authority  
File #0515-EX-ST-2024  
March 2024

L3Harris Technologies, Inc. (“L3Harris”), filed a STA application under File #0362-EX-ST-2024, which was recently granted. The Air Force testing is scheduled to begin on April 2, 2024, but the STA was granted for April 5, 2024. We respectfully request that the FCC modify the grant to reflect a start date of April 2, 2024.

**Government Contract(s) and POC:**

This product demo is in support of USSOCOM TE 24-2 (TE = Test and Experimentation). It is run by the Science and Technology Directorate.
