Good Morning Ben! The launch slipped past the date on the original STA request, it's now going further into the month of May. So we're asking for additional time. The ISS schedule made the launch slip a few weeks, I apologize I should have asked for more time in the original request.

Thank you,
Rachel Vaden

Date of Original Email: 03/27/2024

You've been authorized to operate within these frequencies at the proposed location. What prompts your request for an additional STA?

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of 03/27/2024 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
