Application for 28 GHz Experimental License  
FCC File Number: 0088-EX-CN-2024  
Correspondence Reference Number: 84381

Amendment and Revised Technical Exhibit

In response to the above-referenced correspondence, California Internet LP, dba Geolinks ("GeoLinks") amends its application and submits a revised technical exhibit. By this amendment GeoLinks revises the ERP of the base station and the ERP of the 50 cm remote terminal to reflect updated antenna gain information from the manufacturer. The revised technical data are provided on the attached exhibit.
