PROPRIETARY INFORMATION
National Oceanic and Atmospheric Administration
License to Operate a Private Remote Sensing Space System

Part A: Determination and License Grant

The National Oceanic and Atmospheric Administration, an agency of the U.S. Department of Commerce, acting pursuant to authority delegated by the Secretary of Commerce (the Secretary), determines that Care Weather Technologies, Inc., as described in Part C of this license, will comply with the requirements of the Land Remote Sensing Policy Act of 1992, as amended, codified at 51 U.S.C. 60101 et seq., (hereinafter “Act”), the regulations promulgated thereunder, 15 CFR Part 960 (“the regulations”); and the conditions in this license.

Accordingly, NOAA hereby grants Care Weather Technologies, Inc. (hereinafter “Licensee”), as described in Part C of this license, this license to operate Veery Fledgling (hereinafter “the System”), as described in Part D of this license, subject to the terms and conditions of this license. This license is valid until its term ends in accordance with the regulations. The Licensee must request and receive approval for a license modification before taking any action that would contradict a material fact listed in Part C or D of this license.

NOAA makes this determination, and grants this license, under the authority delegated to him by the Secretary of Commerce. The Secretary's authority is found in the Act and the regulations. This license does not authorize the System's use of spectrum for radio communications or the conduct of any non-remote sensing operations that are proposed to be undertaken by the Licensee. This license is not alienable and creates no property right in the Licensee.

IN WITNESS THEREOF, I hereby grant this License:
