

Fee Exempt Statement

I am working for Michigan State University as an Assistant Professor. I apply for this experimental license on behalf of Michigan State University to conduct the NSF-sponsored research project. Michigan State University is a public university and a state entity. Per FCC rule section 1.1116, this application is fee exempt.

Sincerely,

Huacheng Zeng, Ph.D.

Assistant Professor

Department of Computer Science and Engineering

College of Engineering

Michigan State University
