

# LeoLabs Proposal for FCC Experimental License Modification

---

## Request for Confidentiality

**(1) Identification of the specific information for which confidential treatment is sought:**

LeoLabs requests confidentiality for the supplement exhibit (FCC Amendment - 0597-EX-CN-2024 ) provided with this filing. General information about the filing should not be considered confidential.

**(2) Identification of the Commission proceeding in which the information was submitted or a description of the circumstances giving rise to the submission:**

The materials were submitted in order to provide the commission information on the research and experimentation plans including an additional testing location.

**(3) Explanation of the degree to which the information is commercial or financial, or contains a trade secret or is privileged:**

The material contains commercial information on proprietary LeoLabs equipment. Some of the material is patent pending and some is trade secret.

**(4) Explanation of the degree to which the information concerns a service that is subject to competition:**

It is LeoLabs' intention to develop a service to routinely track satellites and space debris. Competitors are actively developing solutions that may compete with LeoLabs solutions.

**(5) Explanation of how disclosure of the information could result in substantial competitive harm:**

By discerning our development schedule and plans, competitors could use the material to develop a competitive offering to LeoLabs.

**(6) Identification of any measures taken by the submitting party to prevent unauthorized disclosure:**

Materials are labeled "Proprietary and Confidential" and transmitted only to parties under specific non-disclosure agreements (NDAs).

**(7) Identification of whether the information is available to the public and the extent of any previous disclosure of the information to third parties:**

The information provided has not been made available to the public, and only to third parties under NDA.

**(8) Justification of the period during which the submitting party asserts that material should not be available for public disclosure:**

The material should not be available for public disclosure for at least 10 years from the date of filing.

**(9) Any other information that the party seeking confidential treatment believes may be useful in assessing whether its request for confidentiality should be granted:**
