Registration Division  
Radiocommunication Bureau  
International Telecommunication Union  
Place des Nations CH-1211 Geneva 20

Subject: Advance Publication Information for the Veery-0G satellite

Dear Sir:

In accordance with the provisions of Article 9.1 and Appendix 4 of the Radio Regulations, the Administration of the United States is submitting a request for the Advance Publication Information of the subject satellite network.

Enclosed is an API database file created with Space Capture V.9.1 of the information for the subject satellite. Additional supporting files include a SpaceVal report, a SpacePub report, and a cost recovery letter.

Cost-recovery invoices and technical questions associated with this filing should be sent to the following point of contact:

Point of Contact Name: Patrick Walton  
Organization Name: Care Weather Technologies  
Address: 144 W 400 N  
Provo, UT 84601  
USA  
E-Mail: [patrick@careweather.com](mailto:patrick@careweather.com)  
Telephone Number: 1 (801) 227-4740

We request that a courtesy copy of all correspondence be sent to our Administration also. Please acknowledge receipt of this information.

Thank you for your kind consideration in this matter.

Sincerely,

Chief, Strategic Analysis  
and Negotiations Division  
International Bureau
