**Note that all locations in Florida must be prior coordinated with the
appropriate DoD Area Frequency Coordination for the location(s)
in Florida where activity is desired. This coordination is on a STRICT
NON-INTERFERENCE basis to commercial and Federal Flight Test Telemetry.**

This email is your AFTRCC coordination.

This coordination includes this header information, DOD Area Frequency Coordinator comments
and AFTRCC comments. These messages must not be separated.

This coordination is advisory only and not binding on the FCC. Applicants are advised that this coordination does not constitute a judgment that the frequency(ies) is best suited for the applicant's purpose nor that the frequency(ies) is exclusive to the applicant. Flight Test frequencies are shared and may require scheduling with other users.

In return for AFTRCC's processing of the applicant's coordination request, the applicant agrees to release and hold harmless AFTRCC, its officers, directors, agents, members, and representatives from any claims, losses or expenses that may arise from the use of the frequency.

This coordination is not an authorization to transmit. A copy of this coordination must accompany application to the FCC.
