Subject: Additional Information Request

Message:

Please address the following from Space Bureau:

- 1) AST needs to file an amendment, letter in the file clarifying that the request is not nationwide but rather site specific. AST also needs to list all the test sites.
- 2) In addition, AST needs to provide the maximum satellite downlink pfd at the Canadian and Mexican borders per our questions to AST. (Didn't see anything in the files on this).
- 3) Regarding the consent letter from FirstNet, I do believe we still need it.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of March 12, 2025 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
