With this transmittal, Verizon submits tariff pages and support data to introduce a specialized service arrangement to meet specific and unique requirements of the United States General Services Administration. The proposed arrangement provides frame relay services, dedicated transmission services and ports for use with Verizon-provided dedicated SONET ring services.

Supporting material as described under Section 61.38 of the Commission's Rules is provided with this filing. A detailed Description and Justification is included for further clarification.

This transmittal letter and associated attachments are being filed electronically today via the Federal Communications Commission's Electronic Tariff Filing System (ETFS).

Payment in the amount of \$775.00 has been electronically transmitted to the Mellon Bank in Pittsburgh, Pennsylvania, in accordance with the fee program procedures. The Form 159 is being transmitted electronically via ETFS.

In accordance with the requirements of Section 61.21(a)(3) of the Commission's Rules, the FCC Registration Number (FRN) for Verizon is 0003-7085-00. Verizon is filing this application on behalf of issuing carriers with the following FRNs:
