

**Side-By-Side Comparison of Tariffs for Verizon's to FairPoint Title Page to  
Section 6**

The Verizon Telephone Companies header was replaced with The FairPoint Telephone Companies on every page.

Replace the wording The Verizon Telephone Companies with The FairPoint Telephone Companies or the Telephone Company throughout the Tariff.

Every page is now referenced as Tariff F.C.C. No.1. So Tariff F.C.C. No. 11, 20, and 23 are now under Tariff F.C.C. No.1.

Every page is now an original page, so there are no symbols except in Section 32 for Contracts.

Areas in blue were added material after the first side-by-side was sent to staff for review.

Every page is reference with TR 1 to represent Transmittal No. 1.

Tariff No. 1 was filed March 17, 2008 with an April 1, 2008 effective date.

The footer is being replaced with their Regulatory contact and their filing dates.

Removed all symbols and footnotes related to the symbols.

Moved up material rather than leave space for deleted material.

Sheets that are not listed under the Verizon column and appeared in the filed F.C.C. Tariff No. 11, 20, and 21 are considered deleted.

Removed headers that said Verizon New England because the Title Page covers what states are covered.

The below comparison is to cover significant changes to each page that we are keeping.

The pages under the Verizon heading can be found under the FairPoint heading. If there were no changes then it will just show page numbers.

### Verizon Tariff F.C.C. No. 11

### FairPoint Tariff F.C.C. No. 1

When states were removed and we kept the applicable states, the contents were renumbered. Rhode Island was removed when the pages had Maine, New Hampshire, Rhode Island, & Vermont. In some case we added the three states in the event other states are added later and need to be differentiated because of the rates.
