ACCESS SERVICE

6. Switched Access Service (Cont'd)6.7 Rate Regulations (Cont'd)6.7.16 Information Surcharge

The Information Surcharge is a charge to recover costs that have been assigned to the interstate Information category through Parts 67 and 69 of the Commission's Rules. These costs are other than those incurred in the provision of interstate Directory Assistance Service as set forth in 9. following.

The Information Surcharge is assessed to the customer based on the total number of access minutes. The rates are set forth in 6.8.8 following. The application of these rates with respect to the individual Feature Groups is as set forth in 6.7.1(D) preceding.

6.7.17 Data Base Query

A Data Base Query charge as set forth in 6.8.3(A)(2) applies for each data base query that returns a valid carrier identification code that provides the appropriate routing information even if the call is not completed. When additional routing options (i.e., alternate carrier(s) and/or alternate destination(s) identified based on criteria such as; time of day, day-of-week, specific dates, originating NPA-NXX, percent allocation, routing to a single carrier and destination from an area of service smaller than an area defined by an NPA-NXX) are performed, a Routing Options Capability charge as set forth in 6.8.3(A)(2) will also apply per query.

6.7.18 IP-STP Port Termination

(N)

IP-STP Port Termination charges as set forth in 6.8.3(A)(1)(E) provides connectivity to the Telephone Company's Signal Transfer Point (STP) via the Telephone Company's IP switch/router Network. The Customer is responsible for providing transport facilities and hardware from the Customer SWC to the Telephone Company's IP network interface
