ACCESS SERVICE

21. Contract Tariffs (Cont'd)21.53 Contract Tariff Option 52

(N)

(A) Scope

Contract Tariff Option 52 provides a discount for customers who order newly installed, full-time Serial Component Video Service (**SCVS**) or newly installed, High-Definition Digital Video Transport Service (**Hi-Def DVTS**) in accordance with the requirements set forth in this Option 52.

(B) Eligibility

The customer must meet all of the criteria set forth following in order to be eligible to receive the rates, terms, and conditions of this Option 52.

- (1) The customer must subscribe to this Option 52 by submitting a written authorization in a manner designated by the Telephone Company during the period that begins September 20, 2008 and ends March 31, 2009 (**Subscription Period**).
- (2) The customer must order new installations of at least three (3) full-time SCVS channels or at least three (3) Hi-Def DVTS channels on a single order during the Subscription Period. The originating point of all such channels must be the same location and the termination point of all such channels must be the same location.
- (3) The customer must accept service on the original service date. If the customer does not accept service on the original service date, the customer's acceptance of the service on a later date will make the service ineligible for the discount provided under this Option 52, unless the later date is designated by the Telephone Company.
- (4) The customer may not concurrently subscribe to any other Tariff arrangement, contract tariff option, special service arrangement, or Individual Case Basis (**ICB**) arrangement offered by the Telephone Company and available to the customer either currently or at any time during the Service Period, which Tariff arrangement, contract tariff option, special service arrangement, or **ICB** provides a discount, credit, or other reduction in rates or terms based on achievement of revenue or volume targets/levels by the customer for SCVS or Hi-Def DVTS.
