Attention: Wireline Competition Bureau

The Verizon Telephone Companies (Verizon) hereby apply for Special Permission for a waiver of Sections 61.58 and 61.59 of the Commission's rules.

On September 17, 2008, Verizon filed Transmittal No. 952 which modified tariff terms for certain services grandfathered in accordance with the relief received in connection with Verizon's broadband forbearance petition in WC Docket No. 04-440.

Based upon discussions with the Commission staff, Verizon plans to withdraw the tariff material originally submitted under Transmittal No. 952 and to reinstate material currently in effect.

A waiver of Section 61.58 is required to revise material originally submitted under Transmittal No. 952 prior to the scheduled effective date, which is less than statutory notice. A waiver of Section 61.59 is required in order to revise material that is not yet in effect for thirty days.

This application and associated attachments are being filed electronically today via the Federal Communications Commission's Electronic Tariff Filing System (ETFS).

Payment in the amount of \$775.00 has been electronically transmitted to the U.S. Bank in St. Louis, Missouri, in accordance with the fee program procedures. The Form 159 is being transmitted electronically over ETFS.

In accordance with the requirements of Section 61.21(a)(3) of the Commission's Rules, the FCC Registration Number (FRN) for Verizon is 0003-7085-00. Verizon is filing this application on behalf of issuing carriers with the following FRNs:
