Qwest is filing tariff changes in its Tariff F.C.C. No. 1, Section 13, Miscellaneous Services, to add a new Repair Center Test Charge. This Repair Center Test Charge only applies when a Voice Grade, Audio, Broadcast Video, DDS or DS1 customer reports trouble to Qwest for clearance and no problem is found in the Qwest portion of the circuit. This charge is being made to recoup the costs incurred when testing is done on circuits and no trouble is found on the Qwest network.

Section 61.49(3) of the Commission's Rules allow this new charge to be introduced without cost data.

The Tariff filing fee in the amount of \$775.00 is being paid by credit card through the appropriate entries in Section E of the ETFS generated Form 159.
