RE: Tariff Filing, Consortia Consulting, FRN 0008-9378-07

Transmittal No. 5

Dear Ms. Dortch:

The enclosed tariff pages, bearing FCC No. 1, are issued in compliance with the Communications Act of 1934, as amended, and pursuant to the Commission's rules. The purpose of this filing, as detailed in the Description and Justification included with this submission, is to:

- Add West River Telecommunications Cooperative as an issuing carrier of this tariff (see Section 19), effective July 1. Correspondingly, West River Telecommunications Cooperative, FRN 0002-4776-51, is exiting the GVNW Inc./Management Tariff FCC No. 2 as an issuing carrier, effective July 1.
- Remove the following issuing carriers from this tariff (see Sections 17, 18 and 20), effective July 1:
  - Beresford Municipal Telephone Company/FRN: 0004-9357-30
  - McCook Cooperative Telephone Company/FRN: 0002-4309-16
  - Western Telephone Company/FRN: 0004-3384-63

Effective July 1, the carriers listed above will become issuing carriers in the National Exchange Carrier Association (NECA) Tariff FCC No. 5. As of the effective date, all rules, regulations and rates for Beresford Municipal Telephone Company, McCook Cooperative Telephone Company and Western Telephone Company will be found therein.

This filing is being made electronically, including FCC Form 159 and the statutory processing fee of \$815.00.
