Application No. 57

Secretary  
Federal Communications Commission  
Washington, DC 20554

Attention: Common Carrier Bureau

Application is hereby made on behalf of Telephone Utilities Exchange Carrier Association (TUECA) to waive the requirements of Sections 61.58, and 61.59 of the Commission's rules.

TUECA filed Transmittal 199 and amended Transmittal 199 on the same day, June 16, 2009, to change its tariff, TUECA FCC No. 2 to become effective on July 1, 2009. Transmittal No. 199, however, did not include all the revisions TUECA intended to make. Consequently, TUECA refiled 3 pages, 17-1, 17-6, and 17-21 under amended Transmittal No. 199. Two of these pages used the same revision numbers as Transmittal No. 199 and were filed without a waiver of 61.58 and 61.59. These revisions reflect the data in TUECA's support material (Rate Detail file) on pages 1, 2 and 8.

Also, under Transmittal 199, TUECA omitted corresponding language regarding the application of some new rate elements, and inadvertently included language and rates for Cross Connect service. In order to correct these errors the Company requests Special Permission to (1) cancel the material found here on tariff pages included in Transmittal No. 199 and amended Transmittal 199 and submit revised tariff pages to reflect both the correct rates and the correct revision numbers, (2) submit revised tariff pages to reflect corresponding language for new rate elements submitted under Transmittal No. 199, and (3) submit revised tariff pages to remove language and rates for Cross Connect services filed under Transmittal No. 199.

A copy of the proposed tariff pages is attached.

The original Application Letter, along with FCC Form 159 and the required filing fee of \$815.00 are being sent via overnight service to the US Bank in St. Louis Missouri, under FRN 0003-7406-51.

All calls concerning this filing can be made to me at 318-388-9112. Correspondence should be sent to me at the above address or faxed to 318-388-9602.
