

June 26, 2009

Ms. Marlene H. Dortch, Secretary
Federal Communications Commission (FCC)
Washington, DC 20554
Attn: Wireline Competition Bureau

RE: Application for Special Permission, Consortia Consulting, FRN 0008-9378-07

Application No. 1

Dear Ms. Dortch:

Application for Special Permission is hereby made by Consortia Consulting (the "Company") to waive Sections 61.58 and 61.59 of the Commission's Rules in order to file revisions to its Tariff FCC No.1, revising its filing of June 16, 2009, on behalf of issuing carrier West River Telecommunications Cooperative (West River), FRN 0002-4776-51. A waiver of Section 61.58 is requested so that the Company may file proposed tariff revisions on not less than one (1) day's notice to become effective on July 1, 2009. A waiver of Section 61.59 is requested in order to change material which has not been in effect for thirty (30) days.

West River exited the GVNW Inc./Management Tariff FCC No. 2 and became an issuing carrier of Consortia Consulting's Tariff FCC No. 1 effective July 1, 2009. The GVNW tariff had enumerated West River's End User Access charges as West River is not a member of the National Exchange Carrier Association's (NECA's) End User Access Services pool for its North Dakota study area. (West River is an issuing carrier in NECA's Tariff FCC No. 5 for its South Dakota study area for all NECA pools.) The Consortia Consulting Tariff FCC No. 1's filing effective July 1, 2009, did not enumerate West River's End User Access charges. However, given the fact that West River is not a member of NECA's End User Access pool for its North Dakota study area, the charges need to be enumerated for West River's End User Access Service. The waivers requested above will allow the Company to make the necessary changes to its tariff to include the rates, effective July 1, 2009. At this time, we are also adding rate references for ISDN and DS1 Line Ports that were omitted from the June 16 filing. We are attaching corrected tariff pages reflecting these changes.

This filing is being made electronically, including FCC Form 159 and the statutory processing fee of \$815.00.

All correspondence and inquiries regarding the filing should be addressed to:
