(C)

(a) Subscription to Other Contract Tariff Options

Except as allowed under (E)(6)(b) following, the customer may not subscribe new DSR under this Option 34 to any other Contract Tariff Option unless specifically allowed to do so under that other Contract Tariff Option.

- (b) Conversion to General Tariff, Conversion to Another Contract Tariff Option, or Conversion to Telephone Company Provided dedicated SONET ring service (C)
(C)

- (1) Upon completing the first thirty-six (36) months of the Initial Service Period, the customer may order conversion of a new DSR subscribed to under this Option 34 to general tariff rates and charges, may order conversion of a new DSR subscribed to under this Option 34 to any other Contract Tariff Option in this Section 21 for which the customer is eligible for subscription to that Contract Tariff Option, or may order conversion of a new DSR subscribed to under this Option 34 to a Telephone Company provided dedicated SONET ring service, subject to the following. (C)
(C)
(C)

- (a) The conversion must be ordered during the period that begins the first day of month thirty-seven (37) of the Initial Service Period and ends the last day of month thirty-nine (39) of the Initial Service Period; and

- (b) The customer must order DSR service under the general tariff's rates, terms and conditions set forth in Section 34 following and with an initial commitment period that expires later than the date on which the Initial Service Period under this Option 34 would have expired if service was not converted to general tariff; or

- (c) The customer must order DSR service under another Contract Tariff Option in this Section 21, or must order Telephone Company provided dedicated SONET ring service, in each case at the rates, terms and conditions applicable to such service and with an initial commitment period that expires later than the date on which the Initial Service Period under this Option 34 would have expired if service was not converted to another Contract Tariff Option or Telephone Company provided dedicated SONET ring service; and (C)
(C)
(C)
(C)

- (d) With the exception of conversion to general tariff, to another Contract Tariff Option, or to Telephone Company provided dedicated SONET ring service, no other changes may be made to the new DSR (e.g., addition of a node). (C)

(E) Terms and Conditions (Cont'd)

(7) Termination Liability and Minimum Period Charges

(M)

(a) Termination Liability

- (1) Except as allowed under (E)(5)(a) or (E)(6) preceding, termination liability applies if a new DSR that is subscribed to under this Option 34 is discontinued prior to the end of the Initial Service Period. Termination liability is subject to the terms and conditions set forth in Section 23.1(E) following. Termination liability does not apply when service under this Option 34 is discontinued during the Extended Service Period.
- (2) When calculating any termination liability charge under this Option 34, the rates set forth in (F) following are not used. Such termination liability will be calculated using the 5-year term plan rates set forth in Section 23.1 following (as determined in accordance with Section 14.7 preceding).

(b) Minimum Period Charges

Minimum period charges apply when a new DSR that is subscribed to under this Option 34 is disconnected or moved prior to the end of the first twenty-four (24) months of its Initial Service Period. When calculating any minimum period charges under this Option 34, the rates set forth in (F) following are not used. Such minimum period charges will be calculated using the 5-year term plan rates set forth in Section 23.1 following (as determined in accordance with Section 14.7 preceding).

- (8) Shared Use as set forth in Section 5.2.8 preceding is allowed under this Option 34; however, only the Special Access portion of the new DSR is eligible for the rates set forth in (F) following.

(9) Expiration of Service Period

Upon completion of the Initial Service Period or Extended Service Period, as applicable, the customer may discontinue service under this Option 34 without termination liability. If the customer does not discontinue service, the service will continue at the 5-year term plan rates set forth in Section 23.1 following (as determined in accordance with Section 14.7 preceding) until such time as the customer either cancels service or subscribes to a new term plan, contract tariff option for which the customer is eligible, or other Telephone Company provided service. In all cases, the rates set forth in (F) following will cease upon expiration of the Initial Service Period or the Extended Service Period.
