13.3 Miscellaneous Services (Cont'd)

13.3.11 Billing Name and Address (BNA) for Automatic Number
Identification (ANI) for Listed and Non-Published/Non-Listed
Customers (Cont'd)

The BNA information provided to the Telecommunication provider shall not be used for any purpose other than the following: 1. Billing customers for using telecommunications services of that service provider and collecting amounts due; 2. Any purpose associated with equal access requirement of the United States vs. AT&T, 552 F. Supp. 131 (D.D.C. 1982); 3. Verification of service orders of new customers, identification of customers who have moved to a new address, fraud prevention, and similar nonmarketing purposes.

The Telephone Company does not warrant that any customer provided information is complete or accurate. The Telephone Company specifically provides such information on an as is basis.

Multiple data medium options are available to BNA customers. A customer can choose to have the BNA information provided through CARE by magnetic tape, electronic data transmission, or by using the Telephone Company's Xpress Electronic Access (XEA) on-line system. (x)
