With this filing, BellSouth proposes to provide service descriptions in the hierarchy for service upgrades associated with payment plans. Services for which descriptions are being provided were de-tariffed under FCC Memorandum Opinion and Order No. FCC 07-180 released October 12, 2007, and are available by Guidebook. Additionally, BellSouth proposes to enable LightGate moves to Telephone Company dedicated ring services without the Customer incurring Termination Liability charges.

In accordance with Section 61.14, this transmittal letter and associated attachments are being filed electronically today via the Federal Communications Commission's Electronic Tariff Filing System (ETFS) in compliance with the electronic filing procedures.

Payment in the amount of \$815.00 has been electronically transmitted to the US Bank in St. Louis, Missouri, in accordance with the fee program procedures. The Form 159 is being transmitted electronically via ETFS as a proprietary document. These actions have been committed on the date established as the issued (filed) date as reflected above.
