May 17, 2010

Ms. Marlene H. Dortch
Secretary
Federal Communications Commission
The Portals
445 Twelfth Street S.W.
Washington, D.C. 20554

Attention: Wireline Competition Bureau

Dear Ms. Dortch,

The accompanying Tariff Review Plan (TRP) materials are issued by Cincinnati Bell Telephone (CBT) in response to the Commission's *Tariff Review Plans*, DA 10-506, released March 31, 2010.

A separate filing fee is not required for this TRP filing.

Per the Commission's Order, this TRP filing is a "short form" TRP and does not include: (1) the proposed Actual Price Indices (APIs) and Service Band Indices (SBIs) on chart IND-1; (2) Chart SUM-1; (3) Chart RTE-1; (4) Chart TGT-3; (5) Chart EXG-2; (6) Charts CAP-1, CAP-2, CAP-3, CAP-4, and CAP-5. The Commission also, for the 2010 short form filing, waived the requirements for including the PC-1 and IND-1 forms. In addition, price cap LECs that have reached their Average Traffic Sensitive (ATS) rate received a waiver from the requirement that they submit their TGT-1 and TGT-2 forms as part of the short form TRP. Finally, the Commission waived portions of Section 61.49(k) of its rules to allow this TRP filing to be made less than 90 days prior to the July 1, 2010 annual access filing.

Please date stamp and return the enclosed duplicate copy of this letter as acknowledgement of its receipt. Questions concerning this submission can be directed to Mr. Michael E. Bishop. He can be reached by phone at (513) 397-1231 or by FAX at (513) 241-8735.

Sincerely,

/s/ Gary Peddicord

Gary Peddicord
Director – Carrier Operations
Cincinnati Bell Telephone Company
