## SECTION9-CONTRACTTARIFFS

9. ContractTariffs

Thissectioncontains termsand conditions and rate sand charges for contract tariffs provided by Company. Individual contract tariffs are filed beginning at 9.2 following.

9.1 General

Contract tariffs apply in those Metropolitan Statistical Areas (MSAs) where Company has received Phase I Pricing Flexibility relief for Fast Packet Services.

Each contract tariff includes a serving area that is comprised of one or more MSAs within the operating territories set forth in Section 7 preceding one or more of the Frontier Telephone Companies participating in this tariff. These companies and certain other Frontier Telephone Companies participate in Tariff F.C.C.No.4, and/or No.5 as shown below. These tariffs also specify the operating territories of each company.

Unless otherwise specified in the individual contract tariff option, when the serving area for a contract tariff encompasses more than one Operating Company, that contract aggregates services, rates and charges, incentives and other contract-specific terms and conditions for MSAs within all of the Operating Telephone Companies participating in that contract.
