**Attention: Wireline Competition Bureau**

The accompanying tariff material, issued by the Bell Operating Companies: AT&T Inc., Qwest Corporation, and Verizon Communications, Inc. is sent to you for filing in compliance with the requirements of the Communications Act of 1934, as amended. This material, scheduled to become effective February 15, 2011, consists of revised tariff pages as indicated on the following revised check sheet.

**Tariff F.C.C. No.**

**1**

**Check Sheet No.**

**35th Revised Page 1**

With this filing, the Bell Operating Companies (BOCs) propose to revise certain rates and charges to reflect current demand and expense data. In addition, the BOCs propose modifications to certain service offering text and changes to general regulation text to clarify several sections, update the issuing officers for the tariff, and update the dates and version numbers for several technical references to be available as of the filing date.

Supporting material pursuant to § 61.38 of the Federal Communications Commission's Rules and Regulations is submitted herewith.

Pursuant to 47 C.F.R. § 0.457 of the Commission's Rules, the BOCs request confidential treatment for the following workpapers which are included with this tariff transmittal:

- Table 2A: SMS/800 - Revenue Requirement Detail (Confidential)
- Table 2B: SMS/800 – Resp Org Revenue (Confidential)
- Table 7: SMS/800 - Expense Summary (Confidential)
- Table 8: SMS/800 – Demand Data (Confidential)

These workpapers have been marked **“CONFIDENTIAL-PROPRIETARY Non-Public Financial Information in Support of Tariff Filing. Not for Public Disclosure.”** because they contain competitively sensitive information. Each workpaper qualifies for protection and non-disclosure under Subsection (d) of § 0.457 (“Trade secrets and commercial or financial information...not routinely available for public inspection”). If the F.C.C. does not agree that these workpapers are covered under § 0.457(d), then the BOCs request that this document be withheld from public inspection pursuant to 47 C.F.R. § 0.459. The BOCs believe that it would suffer substantial competitive harm if these workpapers were released to the general public. If the F.C.C. denies this request for confidential treatment under the Standard Protective Order and Declaration for use in § 402(b) Streamlined LEC Tariff Proceedings, then the BOCs request, pursuant to § 0.459(e), that the workpapers be returned.

In accordance with § 61.14, this Transmittal Letter and associated attachments are being filed today via the Federal Communications Commission’s Electronic Tariff Filing System (ETFS) in compliance with the electronic filing procedures. Payment has been electronically transmitted to the US Bank in St. Louis, Missouri in accordance with the fee program procedures. The Form 159 is being transmitted electronically via ETFS. These actions have been committed on the date established as the issued (filed) date as reflected above.

As Point of Contact for SMS/800, Inc., the group that administers this tariff on behalf of the Bell Operating Companies, please address all personal or facsimile service of petitions against this Transmittal, as required under § 1.773(a)(4) of the Commission’s Rules, to Maureen Callan at the above address, facsimile number (732) 336-3295. Any other correspondence or inquiries concerning this filing should be addressed to Maureen Callan at the same address.
