Application No. 43

Ms. Marlene H. Dortch  
Secretary  
Federal Communications Commission  
Washington, D.C. 20554

Attention: Wireline Competition Bureau

Application is hereby made by Nevada Bell Telephone Company (NBTC) for Special Permission to waive Sections 61.58 and 61.59 of the Commission's Rules in order to withdraw Transmittal 216 without its becoming effective.

On March 3, 2011, NBTC proposed various modifications to its Tariff F.C.C. No. 1. The modifications were to add definitions and clarify the legal name for the Issuing Carrier. Additionally, the name and address of the Issuing Officer was added to the Title Page, along with correcting certain typos. Transmittal 216 is scheduled to become effective on March 18, 2011.

With this application, NBTC requests permission to waive Sections 61.58 and 61.59 of the Commission's Rules in order to withdraw material filed under Transmittal No. 216 without its becoming effective, and to restore currently effective material.

A waiver of Section 61.58 is requested to permit the revisions of tariff material to become effective on not less than one-day's notice. A waiver of Section 61.59 is requested to permit revisions to tariff material that is not yet in effect. NBTC wishes to withdraw Transmittal No. 216 in order to review issues identified in the proposed modifications.

This Application letter and the appropriate illustrative tariff page are being filed electronically today via the Federal Communications Commission's Electronic Tariff Filing System (ETFS).

Payment in the amount of \$815.00 has been electronically transmitted to the US Bank in St. Louis, Missouri, in accordance with the fee program procedures. The Form 159 is being transmitted electronically via ETFS as a proprietary document. These actions have been committed on the date established as the issued (filed) date as reflected above.
