This filing, issued under authority of Special Permission No.11-003, scheduled to become effective March 18, 2011, consists of the tariff pages as indicated on the following Check Sheets:

On March 3, 2011, Ameritech proposed various modifications to Tariff F.C.C. No. 2 and Tariff F.C.C. No. 3, in Transmittal No. 1730, which is scheduled to become effective on March 18, 2011. The modifications were to add definitions and clarify the legal name for the Issuing Carrier. Clean-up items were included to complete removal of Wideband Analog Video Service (WAVS) which was removed from Tariff FCC No. 2 on Transmittal No. 1729, which became effective on February 23, 2011. Additionally, the name and address of the Issuing Officer was being updated and moved to the Title Pages.

With this filing, Ameritech wishes to withdraw the tariff material filed under Transmittal 1730, without its becoming effective, and to restore currently effective material in order to review issues identified in the proposed modification.
