On March 3, 2011, NBTC proposed various modifications to Tariff F.C.C. No. 1, in Transmittal No. 216, which is scheduled to become effective on March 18, 2011. The modifications were to add definitions and clarify the legal name for the Issuing Carrier. Additionally, the name and address of the Issuing Officer was being added to the Title Page and NBTC proposed to correct certain typos.

With this filing, NBTC wishes to withdraw the tariff material filed under Transmittal 216, without its becoming effective, and to restore currently effective material in order to review issues identified in the proposed modification.

In accordance with Section 61.14, this transmittal letter and associated attachments are being filed electronically today via the Federal Communications Commission's Electronic Tariff Filing System (ETFS) in compliance with the electronic filing procedures.
