

**Cincinnati Bell Telephone LLC**

**Tariff FCC No. 35**

**Transmittal No. 858**

**DESCRIPTION & JUSTIFICATION**

Cincinnati Bell Telephone (CBT) proposes to make textual changes to Section 19 – Cincinnati Bell Ethernet Services to clarify language and to correct typographical errors. CBT is modifying the names of selected rate elements and making other textual changes in order to make its service offerings clearer to customers. CBT is not changing any rates in this filing. Therefore, this filing has no revenue impact.

CBT also proposes to grandfather its 2 Gbps service in Section 19 – Cincinnati Bell Ethernet Services. This service will no longer be available to new customers. CBT currently has no customers for its 2 Gbps Ethernet service.
