Attention: Wireline Competition Bureau

Dear Ms. Dortch,

The accompanying Tariff Review Plan (TRP) materials are issued by Cincinnati Bell Telephone (CBT) in response to the Commission's *Material to be Filed in Support of 2011 Annual Access Tariff Filings*, DA 11-570, released March 29, 2011.

A separate filing fee is not required for this TRP filing.

Per the Commission's Order, this TRP filing is a "short form" TRP and does not include: (1) the proposed Actual Price Indices (APIs) and Service Band Indices (SBIs) on chart IND-1; (2) Chart SUM-1; (3) Chart RTE-1; (4) Chart TGT-3; (5) Chart EXG-2; (6) Charts CAP-1, CAP-2, CAP-3, CAP-4, and CAP-5. The Commission also, for the 2011 short form filing, waived the requirements for including the PC-1 and IND-1 forms. In addition, price cap LECs that have reached their Average Traffic Sensitive (ATS) rate received a waiver from the requirement that they submit their TGT-1 and TGT-2 forms as part of the short form TRP. Finally, the Commission waived portions of Section 61.49(k) of its rules to allow this TRP filing to be made less than 90 days prior to the July 1, 2011 annual access filing.

Questions concerning this submission can be directed to me. I can be reached by phone at (513) 397-1231 or by FAX at (513) 421-1367.

Sincerely,

/s/ Michael E. Bishop
