RE: May 17, 2011 Shortform TRP Letter Filing

The Micronesian Telecommunications Corporation “MTC” will be filing their 2011 Annual Price Cap Filing in compliance with Section 61.43 of the Commission’s rules. As required by Section 61.49(k), attached is an advance submission of MTC’s 2011 Tariff Review Plan (TRP) for the purpose of early review and submitted in the format prescribed in the 2011 Tariff Review Plan Order.¹

This filing reflects the effects of the exogenous cost adjustments for FCC Regulatory Fees, North American Numbering Plan Administrator payments, and Telecommunication Relay Service fund payments. The methodology used to support this filing has not changed from that used last year. All support documentation is provided as an attachment with this letter.

This letter and associated attachments are being filed electronically today via the Federal Communications Commission’s Electronic Tariff Filing System.

All correspondence and inquiries concerning this transmittal should be addressed to Larry Knecht at 670-682-2600, P.O. Box 500306, Saipan, MP 96950.

Sincerely,
Larry Knecht
Chief Financial Officer

Enclosures
