RE: Revised Interstate Access Service Tariff  
Ace Link Telecommunications, Inc., FRN #0002626984, Tariff F.C.C. No. 1

The accompanying tariff material, issued on behalf of Ace Link Telecommunications, Inc. (ALTI) bearing Tariff F.C.C. No. 1, Access Service, is sent to you for filing, in compliance with the Communications Act of 1934, as amended.

The filing, to become effective on December 29, 2011, consists of tariff pages as indicated on the following check sheet: 6th Revised Page 1. Following new and revised tariff pages are included in this filing:

Original Pages: Section 2 Page 57.1, 76.1 and Section 6 Page 34.1

1<sup>st</sup> Revised Pages: Section 2 Page 56, 57, 58,60,68,70,71,72,76 and Section 6 Page 1

This filing modifies Section 6 to introduce new provisions in compliance with the Federal Communications Commission's Intercarrier Compensation rule changes that become effective December 29, 2011. The revision to Section 6.1 specifies that in the absence of a negotiated interconnections agreement between an interconnecting carrier and the Company addressing the treatment of Toll Voice over Internet Protocol-Public Switched Telephone Network (VoIP-PSTN) traffic, the rates and charges for Switched Access Service in Section 17 will apply on all jurisdictionally interstate Toll VoIP-PSTN traffic. The Revision to Section 6.3 specifies the call signaling information the customer is required to transmit on traffic handed off to the Company for termination to the Company's end user subscribers.

This filing also makes a number of changes to existing definitions as well as adds new definitions in Section 2 related to the proposed changed to the regulations in Section 6.

Pursuant to the Commission's Rules, the transmittal, associated files, required FCC Form 159, and the \$845 filing fee are being transmitted electronically via the Commission's Electronic Tariff Filing System on this date.

All correspondence and inquiries concerning this filing should be addressed to the undersigned.

Respectfully submitted,  
Ace Link Telecommunications, Inc.
