EXPIRATION DATE: 24 Months (C)

AVAILABLE MSAs: Las Vegas, Nevada

This contract tariff is for DS1 and DS3 channel terminations (CTs) that are provisioned for the customer within the Telephone Company's Central Office Buildings that are located in the Las Vegas, Nevada MSA. To qualify for the pricing as presented in this contract tariff a channel termination must be wholly contained within one of the Telephone Company's Central Office Buildings in the Las Vegas, Nevada MSA (qualifying channel termination). That is the customer designated premises and the serving wire center of a channel termination must be the same location.

In order to qualify for this contract tariff a customer must, on the day immediately preceding the effective date of this tariff, be subscribing to a minimum of 225 DS1 and a minimum of 225 DS3 qualifying interstate special access channel terminations as described above, and must also have at least 70% of it non-expanded interconnection collocations in the Las Vegas, Nevada MSA eligible for conversion to expanded interconnection collocation. Each channel termination counted for the purpose of meeting these minimum requirements must be currently billed the designated Within CO rate for the applicable service type, zone, and must be committed to a Telephone Company special access term discount plan (TDP) as set forth in Section 22 of this tariff. For the remainder of the contract effective period, the customer must maintain a minimum of 175 DS1 and a minimum of 175 DS3 qualifying interstate special access channel terminations as described above.

## ACCESS SERVICE

24. Pricing Flexibility Contract Offerings (Cont'd)24.5 Contract No. 06-001 (Cont'd)Terms and Conditions

Customer may not assign or transfer, whether by operation of law or otherwise, this contract, or any right or obligations hereunder, to a third party without the written consent of the Telephone Company, which written consent shall not be unreasonably withheld.

In calculating the minimum number of qualifying channel terminations of DS1 and DS3 special access services required under this contract tariff, and in determining which of customer's channel terminations are eligible for the rates set forth in this contract tariff, qualifying channel terminations shall not include those provided by the Telephone Company to any other customer as of the effective date of this contract tariff, nor shall any channel terminations be included even if customer merges with, acquires, or is acquired by any third party as long as, at the time of such merger or acquisition, said third party is not also a customer of this contract tariff.

Billed amounts must be paid in full and on time. Any late payments or disputed amounts shall be subject to Section 2.4.1 of this tariff.

Amendment – Extension of Contract

The amendment to Contract No. 06-001 allows the customer to extend, for an additional twenty-four (24) months, all rates, terms and conditions specified in this contract tariff upon expiration of the initial five (5) year term and initial twelve (12) month extension.
