RESALE COMMON CARRIER SERVICE

APPLICATION OF TARIFF

This tariff contains the regulations and rates governing the relationship between Teleconnect Long Distance Services & Systems Company or any successor entity and its customers in the provision of international resale common carrier service between the cities named herein and the countries that the Company serves.

In the event the Company is unable to file and implement modifications of this tariff because the Federal Communications Commission (FCC) is unavailable to serve as the repository for the tariff, the terms and conditions, including rates and charges, set forth in the filed and effective tariff at the time the FCC becomes unavailable to serve as the tariff's repository shall remain in full force and effect during the period of the FCC's unavailability, and customers shall be obligated to comply fully with said tariff in all respects.
