Re: Trans National Communications International, Inc., Tariff Advice Letter No. 3

Dear Ms. Dortch:

Enclosed for submission to the Federal Communications Commission ("FCC") is Trans National Communications International, Inc.'s ("TNCI") Tariff F.C.C. No. 2. Revisions appear at Sheet Nos. 2, 3, 38, 38.1, 38.2, 38.3, 39, 39.1 and 40.

With this submission, TNCI complies with the FCC's *Report and Order and Further Notice of Proposed Rulemaking*, in WC Docket No. 10-90, et al., FCC 11-161 (the "ICC/USF Transformational Order"). Specifically, TNCI implements provisions governing Voice over Internet Protocol telephony – Public Switched Telephone Network ("VoIP-PSTN") Traffic. All prior references to ISP Bound Traffic service have been deleted. The Billing Name and Address Offering has also been deleted since this service was never offered by TNCI. Further, in accordance with 47 CFR §61.25(b), TNCI incorporates specific incumbent local exchange carrier ("ILEC") switched exchange access tariffs citations for those ILECs in whose territories TNCI operates.

TNCI's FCC Remittance Advice Form 159 and payment of the FCC's tariff filing fee have been submitted electronically.

Marlene H. Dortch, Secretary
